GCSE Performance Score

The Performance Score was developed to provide a sensitive measure of students' performance in all subjects taken in the GCSE examinations, awarding 58 points for an A* grade, (see table below). Short Course grades are allocated half the number of points as the full course equivalent.

This total per student gives the Uncapped Score. For the Capped Score, each student's best 8 GCSE's only are counted. The total per student is then divided by the total number of students on roll to give the average.

We are delighted with the success of our SFH6 students this year and have many students gaining places at top universities. Students' great results and the excellent UCAS programme delivered by both schools alongside the support students received before, on and after results days were the main reason this success.

Congratulations to over 100 Year 13 students who are going onto higher education courses, taking an ever wider variety of courses. At SFH6 students got the grades they needed to secure their places at prestigious institutions giving them excellent career prospects when they graduate.

Our SFH6 students have gone to universities near to home as well as far away and are going to study a vast range of different subjects. These include Mathematics, English, Psychology, Medicine, Pharmacy, Astrophysics, Economics, Journalism, Civil Engineering, Law, Drama, History, Geography, Chemistry, Politics, Computer Science, Criminology, Business, Media Studies and Midwifery. Please see the following pages for a full list.
