TECHNOLOGY

Technology - Exhibition of Student Work
Wednesday 30th May from 4pm - 6pm.

You are invited to the annual Technology Exhibition which will take place on the 30th May. On display will be the exciting range of creative work completed by students in all areas of the Technology Faculty, from Year 7 to Year 13. Please also see the attached poster. Refreshments will be provided!

CAREERS

Friday 1st of June 2012 is Employability day for all year 10 students. Year 10 students will spend the morning undertaking activities that culminate in their participating in a mock interview with an employer. Year 10s can come into school in either their school uniform or business style dress. They will then spend the afternoon on preparing for their own work experience placements.

PERFORMING ARTS

Sydenham Dance Company would like to share their fantastic news with you. As year 11 have now gone it is down to the year 9s to step up to the plate as the new Senior dancers. We have been working hard on our next piece 'Our Promise' it is based on the Olympic ideal 'equality'. The dance communicates a pledge to their ancestors, families, friends, communities and Martin Luther King to always value every individual as an equal and a reflection on how far society has come since his King's famous words. Although the piece is still in the first stages of rehearsal they have been successful in the application for the following events.

They have been successful in securing a place in presenting their work in The Big Dance Showcase that will be taking place in the grounds of Greenwich Park on the afternoon of Friday 6 July 2012. Their piece has been selected to perform in the TOP tent alongside professional performances from companies including The English National Ballet.

We have also been invited back this year to perform at The Scoop on Saturday 7th July which will take place at The Southbank. They will be joined by the best Youth Dance Companies in London showcasing their work.

BSF DESIGN CONSULTATION EVENT

We will be holding a Design Consultation Event at Sydenham School as part of the re-development of the school.

Everyone is welcome, parents, students, Governors, staff and the local community, so please do come along to see the designs and meet members of the Project Team. You will be able to provide feedback and ask any questions you may have regarding the New School.

Refreshments will be provided.

Join us from 4pm – 8pm on Monday 11th June 2012.

PHYSICAL EDUCATION

Year 8 rounders team played a match against Knights Academy this week. They played extremely well and won 18 1/2 - 9 1/2 rounders. I am so proud of the girls!
