

## Planning for your child's Learning Journey

Next week we will be focusing on \_\_\_\_\_. We will be observing them while they play to find out more about their interests and how they are progressing. We value the knowledge and understanding you have of your child and would really appreciate it if you would share this with us so that together we can plan activities to meet your child's needs. This will help us to plan for their future learning and development.

Is there anything significant happening in your child's life at the moment e.g. visits, holidays, new pets, family celebrations? Is there anything you would like to tell us about your child? e.g. current interests.

Do you have anything you would like to ask us about your child's progress and development?

Please take some pictures (no more than 10) of your child/family enjoying activities out of school. Please return this sheet and photographs by \_\_\_\_\_ so that we can add your thoughts and ideas to the planning process.

**Thank you for your support 😊**
