Dear Families

School Bus 681 Update for Families

I have some good news to share about the 681 school bus service in the mornings.

After the complaints that have been submitted they have agreed that the proposal to start the 681 buses 15 minutes earlier is being adopted from the 4 May 2019.

This would not have happened without the support from families taking the time to write to the company. Thank you for your support in this matter.

This will therefore mean that the 7.35 am bus will start at 7.20 am and the 7.40 am bus will start at 7.25 am.

Thank you once again

Yours faithfully

K Pacey
Headteacher
