Dear Families

Compensating for Lost Teaching Time due to INSET Days

As you are well aware all schools have INSET Days throughout the year. In response to your feedback, we try to plan most of them on Mondays and Fridays as parents have told us they prefer them if they are added to a weekend. This does mean that lessons held on Mondays and Fridays are adversely affected and teaching time is lost.

This year, we want to even up that lost curriculum time by running Monday and Friday's timetable on different days in the week on three occasions throughout the year.

The first of these will be on Thursday 19 October 2017 when instead of teaching Thursday's lessons we will be teaching Friday's lessons. Friday 20 October is an INSET day so we will not be teaching the same lessons twice in a row.

The next time this happens will be on Tuesday 5 December 2017, which will run Monday's timetable. The final one will be on Thursday 8 February which will run as a Friday.

Please can you remind your child to bring the right equipment for the changes. We will remind him/her nearer the time also.

These changes will not affect clubs or after school activities.

Yours sincerely

Ms Kathy Pacey
Head of School
