Dear families

For those who were able to attend the Year 10 and 11 Curriculum Information evening last night we hope you found the presentations both informative and helpful in offering practical advice as to how to support your child's exam preparation. The main presentation and all subject presentations are now available on our website under the [KS4 curriculum area](#).

Could I also take this opportunity to invite feedback via the weblink below, which is also on the final slide of the main presentation. This is an opportunity to offer general feedback on your experience of Teddington School and not specific to last night's presentations.

Once again thank you for your continued support.

Yours sincerely

Mr Ribolla
