20 September 2017

Dear Families,

Year 8 Curriculum Information Evening – Wednesday 11 October 2017 (6-7.30pm)

We would like to invite you to attend an information evening at Teddington School on Wednesday 11 October 2017 from 6.00pm until 7.30pm.

The aim of this evening is to raise awareness of the Year 8 curriculum and also provide guidance as to how best to support your child's learning at home. Having offered this evening to Year 11 parents last year, we received excellent feedback and it was requested via the parent forum that we provide similar for all years, hence the event.

The evening will commence at 6.00pm in the Theatre where you will hear from the Head of Year and me regarding changes in assessment affecting all schools nationally and some top tips for revision. Thereafter you will have the opportunity to attend three 20-minute sessions operating on a carousel basis, delivered by the English, Maths and Science departments directly. They again will provide specific advice and guidance to maximise potential in the core subjects.

We very much hope you can join us on this evening.

Yours sincerely,

J Ribolla
Deputy Headteacher
