Dear Families

### **Year 8 Information Evening**

For those who were able to attend the recent Year 8 Curriculum Information evening we hope you found the presentations both informative and helpful in offering practical advice as to how to support your child's learning. The main presentation and subject presentations are now available on our [website](#).

Could I also take this opportunity to invite feedback via the weblink below, which is also on the final slide of the main presentation. This is an opportunity to offer general feedback on your experience of Teddington School thus far and not specific to the presentations received that evening.

Once again thank you for your continued support.

Mr Ribolla

Deputy Headteacher
