Dear Families

Adverse Weather Conditions

Current weather forecasts are suggesting that there may be some snow in the near future. I am writing to remind you of school policy relating to inclement weather.

We are committed to keeping the school open wherever possible, to assist parents and minimise disruption to our students' education. Therefore, the school will only close in extreme weather conditions. If the decision is taken to close the school, we will advise parents via a notification on the front page of the website by 7am in the morning of the day of closure.

Parents should make the decision to send their children to school in adverse weather conditions on the basis of their safety in travelling to and from school.

Should conditions deteriorate during the day and we have no alternative but to close the school, we will contact parents via InTouch, Twitter, the SIMS parent app and information will be posted on the website.

Yours faithfully

K Pacey
Headteacher
