Dear Families

Aim Higher Days 9-11 July 2018

Year 12 are taking part in our Aim Higher Days next week from 9-11 July. During this time, we have various guest speakers talking to students with regards to university choices, and we will also be focusing on supporting students to write their draft statements for their UCAS applications. This will be supported by tutors and Heads of Year, and the aim is for all students to have a draft statement that they can then work on during the summer break.

In September the application process to UCAS will start in earnest. Students that are applying for medicine, dentistry, veterinary medicine or veterinary science, or applying to Oxford or Cambridge, need to have their applications completed, checked and sent off by the **15 October 2018**. The deadline for some art and design courses is **24 March 2019**, however students must check with the relevant university. The fee for applications is £13 for a single choice of university and £24 for multiple choices, payable by debit or credit card via UCAS. Please note this fee is not payable by the school and we cannot accept cash or cheques.

We hope that students will enjoy these three days. The aim is to ensure they are prepared as much as possible for Year 13. They will finish on Wednesday 11 July with a celebratory lunch provided by the Sixth Form Team. Attached to this letter is a timetable for the three days for your information.

Congratulations to the following students who completed their Mayors Award gaining Gold or Silver. This is a reflection of their extra-curricular contributions they have made this year and they are attending an afternoon celebration ceremony at Waldegrave School on Wednesday 11 July.

Gold Award: Donya Karimi, Jacob Amyatt-Leir, Maddie Thelu and Chrissy Foreman

Silver Award: Olivia Patel, Ida Tomas, Hannah Flashman and Ayaan Rahman

We wish you all a wonderful summer break and we will see you all on A Level results day.

Yours faithfully
