Dear Families

Parental Survey 2018

Every academic year we conduct surveys amongst parents to find out your views on Teddington School. To start the New Year it is our intention to focus on behaviour and safety. Your responses will inform our development plans for the rest of this academic year.

We are keen to get your views on all aspects of school life and would be grateful if you could take a few minutes to complete the following survey on anti-bullying and share your current opinion. Please follow the link or copy and paste into a web browser:
