Dear Families

Duke of Edinburgh Assessed Expedition

After a successful practice expedition last weekend the assessed expedition follows shortly from Friday 12– Monday 15 October. I hope all the students found the practice expedition valuable and have gained an insight into what they need to bring and what are unnecessary extras.

You will find a reminder of the information regarding timings and the meeting point below. There are a limited number of spaces available on the school minibus on the Friday morning and the Monday afternoon which will be issued on a first come first served basis. Please let me know if your child will need to travel on the minibus.

I will be running drop in sessions on Wednesday lunchtimes in the ICT room for the rest of term. This is an opportunity for students to receive help with their eDofE accounts to ensure they are up to date with their volunteering, physical and skill sections.
