Dear Families

### **Forthcoming School Trips and Staffing**

I just wanted to write to inform you of the up and coming trips which may effect staffing in school for a short period of time. The Year 8 MFL trip to Paris, the Year 9 German Exchange to Konstanz, the Key Stage 4 –Key Stage 5 science trip to CERN/Geneva and the Year 8 History trip to Portsmouth Historic Dockyard. There are also two smaller events – Girls in STEM and Live at the Rose, both of which involve 10 students and one teacher.

I am certain that these trips will be a huge success, but some do fall during school time. This means that some staff will be absent and supply teachers will need to be bought in for this period of time.

Next year we plan to try and take as many trips during school holiday times (where possible) to avoid disruption.

As I am sure you will agree, these trips are vital to the experience students have here at Teddington School and we value them very much.

Thank you for your continued support

Yours faithfully

K Pacey

Headteacher
