Dear Families

### **Compensating for Lost Teaching Time due to INSET Days**

As you are well aware all schools have INSET days throughout the year. In response to your feedback, these are scheduled on Mondays and Fridays as parents have told us they prefer if INSET days are added to a weekend. This does mean that lessons held on Mondays and Fridays are adversely affected and teaching time is lost. There has been a change to the date originally proposed in February 2018 so that our cross site Sixth Form students do not lose out again on planned lessons. Therefore on Wednesday 7 February 2018 the school will run the Friday timetable.

Please can you remind your child to bring the right equipment for the changes? We will also remind students nearer the time.

Please note that these changes will not affect clubs or after school activities.

Yours sincerely

Ms K Pacey  
Head of School
