Dear Families

Duke of Edinburgh

There are a number of students who have yet to organise their volunteering, physical and skill sections. These must be done in order to complete their Bronze Award. There are a number of volunteering opportunities available in school if your child would like to consider one of these. Please be aware that students should be volunteering for a minimum of one hour per week.

- SEN department: assisting with homework club after school. Various days available.
- Reading with Year 7 students during registration time;
- Coding and Robotics Club;
- Mentoring Year 7 & Year 8 students;
- Table Tennis Club on Tuesdays & Thursdays after school;
- Chess Club on Wednesdays after school;
- Maths Homework club for Key Stage 3 students on Tuesday 3:15pm - 4:00pm and Friday 12:45pm – 1:15pm.
- Volunteering in the library.

Students need to see me in the pastoral office if they are interested in offering their services for any of the above.

Yours faithfully

Ms N Harrison

Senior Pastoral Manager & Deputy Safeguarding Lead / Duke of Edinburgh Coordinator
