Dear Families

Revision Opportunities

As part of our continued support for year 11 students in the run up to their exams Teddington School has been offering a range of opportunities for support and revision. Throughout the term this has involved before school, after school and weekend sessions.

Over the Easter holiday we will be offering revision sessions open to all students. In order to cover the significant cost of running these sessions we ask for a small contribution of £25 for those who wish to attend. This can be paid for via Parentpay. Students will then be able to sign up for the sessions they wish to attend through department areas. This is a one off cost for the entire revision programme.

Please find the timetable for these sessions attached. You will have received a separate letter regarding Science revision sessions which are running over three Saturdays.

The school restaurant will be closed during these times and students will need to bring a packed lunch. Once their revision sessions are over they will need to leave the school site promptly.

We hope that your child is able to take advantage of this revision programme. If you have any queries please contact me through info@teddingtonschool.org

Kind regards

Ms K Corrigan
