Dear Families

Student Equipment for School

I am writing to inform you of the necessary equipment that your child will require for September. I have consulted with the Heads of Department and this is the definitive list that they are requesting that students have. Please support your child by ensuring they are ready for learning on the first day that they return to school in September.

- Safety scissors;
- A glue stick;
- at least 2 highlighter pens;
- black ballpoint or fountain pen;
- pencils and sharpener;
- 30 cm clear/transparent ruler;
- rubber;
- green ballpoint pens;
- protractor;
- compass;
- scientific calculator (students in Year 8 –Year 11) Casio fx-85GT Plus;
- coloured pencils; and
- headphones for computer science;

Thank you for your continued support.

Yours faithfully

Ms K Pacey
Acting Headteacher
