Dear Families

Last week I presented an assembly about the school environment and the unnecessary damage that a small minority of students are choosing to do the building. As I explained to the students, it is our community and home every day and we want to maintain it to high standards so that our place of education is not affected. Everything matters, at all times. In the assembly I have asked for their support in challenging anyone that may be damaging the environment or to let a member of staff know.

Following my assemblies, a group of students have been to see me to ask if they can support with the financial contribution to mending the building over the Summer break. They have suggested that a mufti half day on Friday with every student contributing £2 to wear non-uniform would support considerably. The students are putting together a PowerPoint to share with all students in tutor time this coming week to prepare them. I am very proud of the students wanting to give the school this support and have said that we can wear mufti on Friday. I do hope that you too are able to support with conversations at home about the importance of taking pride in their school and help to contribute to Friday.

I am very proud of how well the students have responded to the uniform checks this week. They are looking proud and smart in school.

Thank you for your continued support

Yours faithfully

Ms Pacey
