Dear Families

Thank you to those year 10s and parents who attended the 'Future Pathways' event on Tuesday evening. We hope you found it useful when deciding on whether to go down the A-Levels at Sixth Form route, vocational courses at college route, or apprenticeships route. Our careers team will be working closely with your sons and daughters to ensure they are given the best impartial advice and guidance about their next steps after GCSEs.

If you were unable to attend, the presentations from the evening are available on the school website and social media:

I am delighted to say that in an update to the information on courses given on Tuesday, we are able to offer German at A Level in 2020-21 too, as requested by some of you via the questionnaire from the Head of Year, Mr Giles. Please continue to submit suggestions for how you would like your Sixth Form to look when you reach Year 12 via this link:
