Dear Families

GCSE Graphics Summer Homework

I am delighted that your child has chosen to study GCSE Graphics. To give students an opportunity to prepare for the course there is some holiday homework for to complete over the summer that I hope they will enjoy.

Whilst many students will have busy summer planned, please support and encourage your child to take the photos ready for September.

GCSE Graphics Summer Homework

Theme – ARCHITECTURE

- Take at least 30 photographs of architecture – old and new; and
- research the architect - Thomas Heatherwick. Include drawings, images, and a written analysis about his work. Include your opinions.

This work is due in for the first week of the autumn term. Once you have taken your photographs please save the images on to a USB stick or Google Drive.

All work completed will contribute toward your GCSE coursework grade.

Please note that A3 sketchbooks and folders for students can be purchased for £2.00 from the DT department.

Yours faithfully

Ms B Hannam
Graphics Teacher
