Dear Families

### **Hot Weather Uniform Options**

It is very hot in the school building at the moment and I want our students to be comfortable. Our extreme weather policy states that students can wear their Teddington School PE kits on extreme hot days. It also states that if the temperature reaches beyond 29 degrees the school day is to be shortened to 2.20pm.

Looking at the weather forecast, this is unlikely to reach 29 degrees until the weekend, however, if this changes, we will notify you the day before.

For the remainder of this week, you may offer your child the choice to wear the Teddington School PE kit. No other sports wear is allowed - only school uniform items. Failure to wear the Teddington School uniform will result in the normal sanctions for non-compliant uniform. Those students that do not wish to wear their PE kit may continue to wear their normal summer uniform.

Yours faithfully

Ms Pacey  
Acting Headteacher
