Dear Families

### **Football Shirt Donations for i-India**

During the February half term I will be visiting Jaipur in India to volunteer for the i-India charity. This was established in 1993 and their mission is to provide care, love and development for children living on the streets of Jaipur. The organisation strives to help as many children as possible and focus on those in most urgent need. They assist children with their immediate challenges, such as homelessness, malnutrition and illness, while developing their attitudes and skills so they can make a better future for themselves. i-India reaches over 3000 children daily through their street schools, residential homes and vocational centres. I would like to establish a link between i-India and Teddington School. On this occasion my ambition is to take not only things that the children who live in the residential homes can use, but also things they will enjoy. Many of the children support English football teams. If you have any replica football shirts that your child no longer uses please consider donating these. The shirts can be any size as the children range from 5 to 16 years of age. Next week I will be talking to all the students during school assemblies and will ask them if they can donate any football shirts. Any donations should be sent with your child to the Student Services office by Monday January 29. I intend to return with photographs that I will share with students and parents after the half term break.

Yours faithfully

Mrs S Havord  
Head of History
