Dear Families

ISSP Mental Health Talk at LEH by Dick Moore (Charlie Waller Trust)

The Independent State Schools Partnership is holding a Mental Health talk with Dick Moore on Wednesday 21 November hosted by Lady Eleanor Holles School, Hanworth Road, Hampton TW12 3HF.

Dick Moore (Charlie Waller Trust) has spoken at over 150 schools in the UK and overseas, together with talks at major conferences and at assorted businesses. He has also appeared on BBC Breakfast, BBC Radio 5 Live and various local BBC radio stations.

“Who claimed that adolescence is just a phase? Who suggested that being a parent is easy? Dick Moore, the parent of four often errant children and a headmaster for almost 23 years, has now embarked upon a mission to discover more about what makes young people tick and what he could or should have done during the tough times! He has a passion for adolescent mental health and will be exploring what mental health is, offering thoughts about how young people think and about common issues which can arise when the going gets tough. Finally, he will offer some tongue-in-cheek tips for parenthood.....”

As Teddington School is part of the ISSP network of schools, parents are welcome to attend this free event. To book a tickets please use the following link:
