Dear Families

Invitation to join The Parent Consultation Group for the Curriculum Review

The staff and Governors at Teddington School are committed to conducting a full review of our current curriculum offer, with a view to implementing any changes from September 2019. The curriculum is such an integral part of students' education and we want to ensure all stakeholders have the opportunity to contribute to this process.

Nationally, the vast majority of schools are, or have, conducted similar reviews of their curriculum in response to the recent and significant changes introduced by the Department for Education. It is imperative that we are cognisant of these external pressures placed upon schools, yet remaining mindful that any curriculum must:

- Meet the needs of all students; and
- Be broad, balanced and facilitate deeper learning.

The staff curriculum strategy group is leading the review, and is seeking parents' views, constructive feedback and ideas as to a curriculum design that meets our school principles. Ideally we are seeking up to twenty parents who are representative of all students across all year groups.

If you would be interested in supporting this process please email me on info@teddingtonschool.org by Wednesday 6 June, stating FAO Curriculum Review in the subject line, and providing the year group/s of your child/ren.

Throughout the review a full list of members and minutes of meetings will be made available on the school website to keep all stakeholders informed.

Thank you very much for your support

Yours faithfully

Ms I Kosch
