Dear Families

Key Stage Five Homework Guidance

Please find attached homework guidance for this academic year for your Key Stage 5 child. This sets out the number of homeworks that you can expect your child to receive in each subject area and an indication of the length of time each piece of homework should take.

Details of each individual piece of homework can be found on Show My Homework. All Key Stage 5 students have access to the Show My Homework App. Parents can still see what homework they have by visiting the public access calendar and filtering the details to access their set homework, using the following link

Yours faithfully

Mr K Campbell

Associate Assistant Head - Teaching and Learning
