Dear Families

Langdon Park

I have received a complaint from the residents of Langdon Park regarding Teddington School students walking through The Green. Whilst I appreciate that this can be seen as a short cut between school and the Kingston Road, this is private property and therefore students are not permitted to walk through this area unless they are residents.

Students have been reminded both in assembly and tutor time about the designated footpaths that they may use when walking through Langdon Park and I would be grateful if you could remind your child of this at home. The permissive pathways are clearly marked on the three signs at Broom Road, Normansfield Avenue and Kingston Road pedestrian entrances. Students should not go through the gates marked Private Property unless they live in Langdon Park.

I am sure that students will follow the correct route from now on and I appreciate your support in helping us to maintain positive relationships with our local community.

Yours sincerely

Ms K Pacey
