Dear Families

### **Year 10 GCSE Mathematics**

Please find attached the Year 10 scheme of work for GCSE mathematics to support your child's progress. This is also available on the school website.

The scheme shows both Foundation and Higher exam topics. Grade 4 and Grade 5 are overlapped between these exams. Your child is taught mainly Grade 4, 5 and 6 topics at this stage, and when possible Grade 7 is also taught.

I hope this will help to inform their revision and the support that your child receives at home.

Yours faithfully

Mr Garland

Mathematics Department
