Dear Families

### **Extracurricular Sports at Teddington School**

I am writing to request your support with our extracurricular sports and clubs programme for the first term back in September 2018. The PE team at Teddington School strives to offer a wide range of clubs, provide extra coaching, compete in fixtures and enter tournaments throughout each term. We also wish to provide specialist coaching in order to develop our students skills and abilities in particular sports. These activities are becoming increasingly challenging to plan and maintain with the limited financial resources available within schools.

In order to support our activities we would appreciate a voluntary donation of £15 per term per family to ensure that the school continues to offer a full extracurricular sports programme to our students. Contributions can be made via cash or cheque payable to 'Teddington School'. Please return any contributions with the completed reply slip in an envelope labelled 'Sports Contributions'. **These should be handed to Miss McGrandles at the PE office on the second floor.**

In addition if there are any sports coaches who have a relevant qualification who would be willing to assist with after school clubs between 3.30pm and 4.30pm, or if you are able to dedicate some of your time to coach netball, hockey, football, rugby or any other sporting activity and would be happy to assist with practice sessions, please get in touch. We are also always on the lookout for referees/umpires across the full range of sports that we offer so do let us know if you would like to get involved.

Finally any parents who have category D1 on their driving licence and would be available to drive the school minibus to teams to attend fixtures then please also get in touch so that we can add you to our email group.

Yours faithfully

*Alison McGrandles*
