Dear Families

As part of our programme of support for Year 11 students I would like to offer your child a place on an intensive maths revision conference taking place on Friday 27 April 2018.

This student conference is designed to get Year 11 students 'exam ready'. This interactive and motivational conference will equip students with a range of strategies and techniques which should maximise their exam performance.

The conference will take place on Friday 27 April from 10:00am -1:00pm. Students should meet staff at school in time to leave at 8:00am and travel by train to The Dominion Theatre, Tottenham Court Road. Students must be in full school uniform and should have their Oyster card with sufficient funds for travel or sufficient funds to purchase a one day travel card.

Please note that light snacks will be available but lunch will not be provided. Students are advised to bring a packed lunch. Students will return to school after the event with the accompanying staff unless we have written confirmation of an alternative arrangement.

Students will be provided with a pen and a conference booklet but it is important that students bring a calculator with them.

If you would like to secure a place for your child on this conference please complete the attached slip and return to student services office by **Tuesday 24 April**.

Yours sincerely

Ms I Kosch
