Dear Families

Parent Forum Responses

Following the Parent Forum on Thursday 12 October, I have taken the time to answer the questions that parents raised. I would like to thank all those who attended for both the opportunity to meet with you and discuss our shared vision for Teddington School.

The questions that were submitted at the Parent Forum have been grouped together in topic areas such as communication. Please use the following link to the school website where you can view the precise answers to these questions on the website:

Having taken the time to go through each question, it is apparent that many of the issues raised are linked to the responses in the last parent survey. The three main areas that we are going to focus our attention on as a school this year are reporting progress to parents, responding to parents and homework. The following link will take you to the full set of results from the last parent survey on the website if you wish to see them.

I also invite you to register with Ofsted parent view at <https://parentview.ofsted.gov.uk> and take the time to share your thoughts about the school.

The next Parent Forum will be on Monday 22 January 2018. Please save this date as I hope to see as many of our parents as possible at this. More information about the evening will be sent closer to the time.

Yours faithfully

Kathy Pacey
