6 October 2017

Dear Families

Parent Forum

The first Parent Forum for this academic year will take place at school on Thursday 12 October starting at 7.00pm. This is a regular event throughout the school year and allows staff and parents to share ideas together and work together to improve the school further.

This forum will allow parents the opportunity to meet the new Head of School, Ms Kathy Pacey who will give a presentation on her vision for the school. If you would like to attend, please could you email info@teddingtonschool.org – with Parents' Forum as the subject, giving your name and the name of your child by 10.00 am on Tuesday 10 October.

I look forward to meeting you.

Yours faithfully

Ms K Pacey
Head of School
