Dear Families

Parent Survey 2018

Last year we conducted a survey amongst parents to find out their views on Teddington School.

We are now repeating that survey as we are keen to find out how you are currently feeling to help us ensure your children have a positive experience.

Please would you take a few minutes to complete this survey. There are no right or wrong answers; it is your opinion that we value. All responses are anonymous but will be used to identify our strengths and weaknesses. You can access the survey [here](#). This link will be valid until Friday 13 July 2018.

For each question please select the one answer which most closely represents your current opinion. It would be very helpful if you could complete a separate survey for each child you have at Teddington School based on their experience so that we get the best possible information. Once you have completed the survey for one child, simply repeat it for your other child/ren.

The results of the survey will be shared with parents early in the Autumn term.

Many thanks in advance for your support.

Yours faithfully

Mr Hill
Deputy Headteacher
