Dear Families

### **Richmond Schools' Athletics Championships**

The Richmond Schools' Sports Partnership is assembling a team to represent Richmond in the Middlesex Athletics Championships.

This event takes place on Saturday 9 June at the Linford Christie Stadium.

This is for all age groups: Junior, Intermediate and Senior – boys and girls. However, the senior competition will be limited and they are recommended to compete in the South of England Championships.

If you have a child that meets the criteria for the Richmond Schools' Athletics team please can you email their name(s) and time/distance by Tuesday 8 May to me (Mr Salter). These times/distances must have been at a recognised athletic event, such as the English Schools Cup, and should be better or very close to the English Schools Athletic Association county standard.

Yours sincerely,

Mr G Salter  
School Sports co-ordinator

**The following information is from David Lucas who is overseeing the pathway for elite athletes to progress from the Richmond team to county and national standard. His number is below – please contact him if you have any questions or require further information on this, or selection and selection criteria for the Richmond Schools team:**

### **Middlesex Selection for the ESAA Championships.**

Selection for the team will be on the Monday following the County Championships. 70 athletes are selected. To be selected an athlete will normally have achieved a performance of at least the ESAA entry standard. This does not have to be at the County Championship but can be at any recognised event, usually on Power 10.

If you have any athletes who achieve the standard you need to let me know. This year team managers will be tracking likely athletes to be selected and if an ES standard is attained will be contacting the athlete about selection.

Thus, please let me know of any performances that would meet this criteria.

David Lucas
