7 June 2018

Dear Families

SIMS Parent App

There is a new way for you to access, review and request changes to the data held on you and your children direct from your phone as well as see key school information such as term dates. From today, you will be able to access our new parent app and website via smartphone, tablet or PC at your convenience.

What will you find in the SIMS Parent App:

- School term, inset dates and contact details available at the click of a button;
- Access to update your contact details, so the school always has the most up-to-date information in case of emergency:

If you have more than one child at school, you will have access to this information for all your children, from the same app.

Getting started with the SIMS Parent App:

- You will receive an activation email to this email address. Simply click on the link from your tablet, PC or smartphone to activate your account.
- You can login using your Facebook, Twitter, Google or Microsoft username and password.
- From your smartphone or tablet, download the app from the Google Play or Apple App store – search for SIMS Parent.
- From a PC or Windows phone you can login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact the school by email info@teddingtonschool.org. Your activation email will expire after 14 days if it is not used. Please contact the school by email info@teddingtonschool.org if you require a replacement after this date.

If anyone else requires access to your child's information and has not received the invitation email please get them to contact us on info@teddingtonschool.org including their correct email address, the child's name and date of birth and their relationship to the child.

Yours faithfully
