Dear Families

The Met Office weather forecasts that we will be receiving snow late this afternoon into tomorrow. For this reason I have decided school will start at 9:30am tomorrow. This will enable students and staff to have a safer journey into school.

Many of our staff travel from a long distance and this will enable them to get here safely and for Period 2 to start on time. I have spoken to the Head at Waldegrave School and they are doing the same.

Students may arrive from 9:10am where breakfast will be available for those students who wish to eat here.

Students should make their way to Period 2 for a 9:30am start.

Making the decision now, should give you time to make appropriate plans. We believe that this decision will minimize disruption to learning, whilst keeping all our students and staff safe.

Thank you for your understanding.

Yours sincerely

Ms Pacey
