2 February 2018

Dear Families

Science Strategy at Teddington School

I am writing to you to let you know of our strategic plans to support the Science Department at Teddington School. As you are aware, the school has had some difficulties with recruitment of science staff. This is a national problem at present and is affecting our school. However, we need to make sure that our priority is focused on our GCSE and A Level exam classes.

I have met with the Deputy Headteacher from Grey Court School, a science specialist, to establish how she can best support us. She will come to Teddington School on Wednesday 7 February to work with Ms Foley, Head of Science to develop a strategy to address current staffing issues with a plan to move forward after half term.

I appreciate that some of our families have written in to highlight their concerns with regard to science and I am aware of the urgency. Therefore, I would request that you allow us the week to move things forward and I will then communicate our plans to you by the half term break.

Thank you for your patience and support.

Yours faithfully

Kathy Pacey
Head of School
