Dear Families

Sotogrande Sports Tour 2019

Further to my letter of 11 October please find attached the booking terms and conditions from Inspire Sport. Please see that if there are any changes to the tour party numbers the increase in price is explained here or if your child wishes to withdraw the cost of cancellation is also explained here.

Please note there is not a waiting list for the Sports Tour and no money is held at school for the trip. Inspire Sport holds all the payments and the school is not in a position to refund any money to families.

Could I please ask that you tell your child that there will be a tour party meeting at lunch time in the sports hall on Monday 5 November? It is imperative that they attend as I will be discussing important information for the trip.

Yours faithfully

Alison McGrandles
Curriculum Leader PE
