13 March 2019

Dear Families

It has come to my attention that a number of students at this and other local schools are intending to strike on Friday 15 March in support of climate action.

I would like to clarify that any non-attendance by students at Teddington School on this day will be unauthorised.

The school have been given no information about this planned action and I am greatly concerned about its effect on the children's learning and for their safety if they are unsupervised.

We appreciate their passion and concern, however, I ask you to send your children to school as normal on that day and to encourage them to use other peaceful, democratic means by which to raise the issues.

Yours faithfully

Kathy Pacey  
Headteacher
