Dear Families

Survey on Achievement

Throughout the year surveys are conducted amongst families to find out their views on aspects of Teddington School.

Would you please take some time to complete this survey and tell us how you are currently feeling about the area of achievement? Your responses will inform our development plans for the year ahead. The survey on achievement can be accessed [here](#).

For each question please select the one answer which most closely represents your current opinion. It would be very helpful if you could complete a separate survey, bearing in mind their experience, for each child you have at Teddington School so that we obtain the best possible information. Once you have completed the survey for one child, simply repeat it for any siblings.

Please could you complete the survey by Friday 18 May 2018. The results of the survey will be reported to families in due course.

Many thanks in advance for your support.

Yours faithfully

Mr N Hill
Deputy Headteacher
