Dear Families

### **Volunteer Invigilator Support for Year 10 Mock Examinations**

As you know we are beginning the exam season for the academic year. The GCSE and A Level written exams start in a few weeks and several practical exams have already taken place. The school has an excellent team of invigilators who support the school and students during these exams.

I am seeking volunteers to support the internal Year 10 exams. It is important that students in Year 10 complete their mock exams in the same conditions as their final exams; invigilators are a vital part of this experience. The exams are scheduled during the week beginning Monday 30 April and we required some additional invigilators to cover some of the exams. If you are interested and able to spare a few hours at any point in the week please contact the school by email to [info@teddingtonschool.org](mailto:info@teddingtonschool.org)

Yours faithfully

Ms Corrigall

Assistant Headteacher
