Dear Families

Water Update at Teddington School

The water supply is now back on in Teddington and Twickenham. I will review the situation and make a final decision in the morning however, at present we are all as normal for tomorrow.

Please check the school website in the morning for the most up to date information. If there is no specific closure message on the News Page, then school is open for all students.

Students who are sitting GCSE or A Level examinations will be expected to attend in accordance with their exam timetable.

Thank you for your support today

Yours faithfully

Ms Pacey
Headteacher
