Dear Families

Welcome back to the summer term, I do hope that you had a restful and enjoyable Easter break.

It is a very short term of only 5 weeks and the exam season will start after the first couple of weeks for Years 11 and 13. I am sure you will want to join me in wishing them the very best. Our Easter holiday revision sessions were very well attended and I want to thank all those families of students in Years 11-13 that kindly donated for them. It would be very helpful, if you have not already donated, if you would consider making a contribution to meet the overall cost of running these sessions. We are asking for a voluntary donation of £35 which can be paid for via [myDonate](#), which means that when we add Gift Aid the school will receive a £43.75, which will go some way towards meeting the costs incurred.

I am in the process of issuing a second edition of my update to parents about where we are post Ofsted and this will be with you shortly.

Finally, I would like to share the timings of the school day starting from the first day of school in September. After consultation we have decided to move registration back to the start of the day. Please see below for the updated timings for September 2019:
