Dear Families

Year 10 Future Pathways Information Evening

All Year 10 pupils and their families are invited to attend a Future Pathways evening on Wednesday 16 May from 6.00pm -7.00pm at Teddington School.

The evening is designed to start the process of supporting Year 10 with information, advice and guidance for their Post-16 choices and at the same time meet our Post 16 staff team who will be on hand to offer support. The evening will provide information on:

- course requirements and criteria for study at A level;
- vocational courses and the college experience; and
- understanding apprenticeships.

We will be joined for the evening by Ben Rowe, Head of Vocational Courses at Kingston College; Nicky Meston, Director of Sixth Form at Teddington School; Derrick Otchere, Director of the Apprenticeship Support & Knowledge Team and the Teddington School Futures Careers Team.

A series of activities for all pupils is scheduled for the rest of the term including A level and Sixth Form/college taster sessions.

I look forward to welcoming Year 10 families to the evening and to working with you in planning and supporting our students. We look forward to welcoming you all to the event.

Yours faithfully

Ms Bailey
Head of Year 10

Year 10 Future Pathways Information Evening
