Dear Families

### **Year 10 Mathematics Test**

All Year 10 students will sit a 45 minute term 2 test on Monday 11 February 2019 during normal maths lessons.

Your child has been informed about a revision list, which includes further details on the key topics and information about other resources. A homework task has been set on Firefly, so they can download the Revision Booklet.

I would appreciate your assistance to ensure that your child spends about 3 hours working through the topics on the revision list before the test. They may also wish to look back through their exercise book to help decide where to focus.

As part of our on-going assessment in the maths department, groupings are regularly reviewed and any changes to groups may be made in consideration of assessment results, class work and effort over the last term.

Yours faithfully

Ms I Kosch  
CL Mathematics
