Dear Families

### **Year 10 Revision Training**

Dear Families

I am aware of concerns from families that some students in Year 10 are struggling with the key concepts of how to revise and effective preparation for their forthcoming mocks.

The revision programme and advice for students usually begins in Year 11, however I feel it is appropriate to bring this forward to support the year group fully in advance of their Year 10 mocks which will take place from Monday 30 April – Friday 4 May.

This week on Wednesday 28 March and Thursday 29 March, all Year 10 students will receive one 50 minute lesson on revision training using 5 key strategies. This will take place during their timetabled PE lessons. They will receive the training in groups of 30 students with myself and Mr Thorne, Assistant Head of Year 10.

Students will receive a booklet that explains the 5 strategies and will be given advice about how to prioritise subjects. They will have the opportunity to try out their chosen strategy with support. After the sessions these resources used will be uploaded on to Firefly.

The aim is not only to discuss with students the importance of revision during Easter, but to provide active strategies which can be embedded from now until their GCSE exams next year.

I hope this will help support you at home to actively encourage your child with their revision during the Easter holiday.

Please do let me know of any feedback your child has regarding the sessions.

Yours faithfully

Ms S Bailey  
Head of Year 10
