Dear Families

### **GCSE Mock Examinations: Mathematics**

Your child will be sitting their mock GCSE exams over a 10 day period commencing on Monday 26 November. In order to support your child to revise, I am issuing a single practise exam paper as their mathematics homework to complete during the October half term holiday. This will allow their class teacher to most accurately assess where revision should be targeted prior to the exam,

I would appreciate your assistance in ensuring that your child completes the paper under exam conditions at home and brings it back to school by the due date, which is Tuesday 30 October. The paper is non-calculator test.

Please ensure that your child has a quiet space to work for 90 minutes without distractions such as music so that they can emulate exam conditions for writing this paper. They may, of course, take the extra time required if they are entitled to it. For this paper 25% equates to 22.5 minutes. They should attempt all the questions even if they have not seen the topic recently and should not use any support to seek assistance. If your child is normally entitled to a scribe during examinations and you are unable to scribe for them, they have the opportunity to write the paper at school on Tuesday 30 October from 3.30pm until 5.00pm in room 210.

Yours faithfully

Ms I Kosch

Curriculum Leader Mathematics
