5 October 2018

Dear Families

### **Year 11 GCSE Mock Examinations**

The Year 11 GCSE mock exams will take place between Monday 26 November – Friday 6 December 2018 for all students, with some practical exams occurring outside this window. A copy of the mock timetable will be available on the school website by 19 October at the following link <http://www.teddingtonschool.org/Examinations>

These exams provide the school with information regarding the areas that need to be focused on in the lead up to the summer examinations, as well as providing the students with useful exam experience.

Students will be given individual timetables and copies of the exam regulations. Any breaches of exam regulations are taken very seriously by the exam boards so it is important that students fully understand them.

During the mock exam period students will need to make sure they have all the equipment required for each exam and should check with their class teacher what they will need to bring. In order to maximise vital curriculum time over the mock period students will not have study leave; they will be in normal lessons when not sitting an exam.

Should you or your child have any questions regarding the mock exams, please contact their form tutor in the first instance. Students should be preparing for these mock exams at home through revision and homework activities. Class teachers will be providing students with links to resources and targeted homework tasks.

We hope that all students in Year 11 use this opportunity to revise thoroughly for their mock exams to ensure that the results they achieve accurately reflect their current progress in their GCSE studies.

Yours faithfully

Ms Corrigan  
Assistant Headteacher
