11 May 2018

Dear Families

Year 11 Modified Timetable

Friday 11 May is the last formal day in regular lessons for current Year 11 students. Year 11 teachers will continue to offer revision sessions up until the final GCSE exam and these are open to all students. This modified timetable is a continuation of students' regular timetabled lessons - full details can be found on the Teddington School website under the School Life/Examinations menu. Staff and departments have clearly indicated which topic, unit or paper the session will focus on. They have also offered additional sessions immediately prior to some of the morning exams.

Students should have already received their GCSE Examination timetable last term and this can also be found on the school website. If they have any queries please contact Ms King-Martin, the Examinations Officer by email to info@teddingtonschool.org

Ms Thornley, Head of Year 11, has made it clear to students her expectations regarding attending revision sessions when not in an examination. Students must sign in and out in the main school reception when entering and leaving the school, unless they are sitting an examination during which a register will be taken. Students must only be on the school site if they are in a planned and staffed revision session or an examination. Students cannot revise independently in school as we have a duty of care to ensure all students are supervised at all times when on school site.

May I take this opportunity to wish your child the very best of luck for the upcoming examinations.

Yours faithfully

Mr Ribolla
Deputy Headteacher
