Dear Families

Year 11 'Steps to Success'

As part of our programme of support for all students taking exams this summer we have arranged for Michele Miller to run a session for parents on how best to support students in developing effective study skills. Michele has worked with us for a number of years delivering her programme 'Steps to Success' to both students and parents as they prepare for exams.

The parent session will take place on Tuesday 15 January from 6:00pm -7.00pm in the school theatre with time for questions at the end of the session in the atrium. Please arrive at 5.45pm for a prompt 6.00pm start as there is a Parent Forum taking place from 7.00pm.

In previous years this has been a very popular session so please confirm your attendance using the following link:

Yours faithfully

Ms Bailey
Head of Year 11
