12 December 2018

Dear Families

Year 11 End of Year Arrangements

The mock period has now come to an end for our Year 11 students and we are incredibly pleased of the way in which they approached this challenging period. Mock examinations can be an unsettling time with every subject formally assessed in a relatively small time frame compared to the summer examinations.

However, the conduct of the students throughout the exams, the mature manner in which they entered and exited the exam hall and the way the majority effectively used revision week prior to the examinations to prepare was wonderful to see, and we wish to reward Year 11 students by allowing them to finish term one day early on Thursday 20 December. We appreciate this was not originally on the school calendar and school is open for any Year 11 students who still wish to attend their regular classes on Friday 21 December.

Once again congratulations to our students on their excellent attitude over the past 3 weeks. We hope you all enjoy the Christmas holidays and look forward to seeing the students back, recharged and refreshed in January.

Yours faithfully

Ms S Bailey

Mr J Ribolla

Head of Year 11

Deputy Headteacher
